

10. СПРАВКА

за установените цитирания в научни издания

на доц. д-р Петя Иванова

Представен е хронологичен списък на всички установени цитирания в научни публикации, сборници и книги, като не са включени цитирания в дисертации. Цитатите, които са в списания индексирани в *Web of Science* или *Scopus*, са отбелязани с **IF, SJR** (в болд). Установени са общо **373** цитата на **45** публикации, без тези в дисертации. От тях **273** са в списания с **IF** и/или **SJR** и **35** са в книги или глави от книги, сборници от конференции. Останалите **65** цитата са в научни издания неиндексирани в *Web of Science* или *Scopus*.

Dobrovolev, I., Ivanova, P. 1999. Biochemical genetic comparison of the *Atherina boyeri* and *Atherina mochon pontica* (Pisces, Atherinidae). *Folia zoologica*, V. 48, 1, ISSN:0139-7893, 55-60.

1. Ciftci, Y. 2017. Genetic Studies In The Black Sea. In: Black Sea Marine Environment: The Turkish Shelf Book Series Turkish Marine Research Foundation Publication, Volume 46, 519-542, Edited by: Sezgin, M., Bat, L., Urkmez, D., Arici, E., Ozturk, B., Published 2017 Indexed 2017-01-01.
2. Васильева, Е.Д. 2017. Диагностические признаки и таксономия средиземноморских атерин из группы *Atherina boyeri* (Atherinidae), *Вопросы ихтиологии*, 57(6): 627-639, (IF, SJR).

Ivanova, P., Dobrovolev I. S. 2002. Morphological and biochemical-genetic comparison of *Cobitis albicoloris* Chichkoff, 1932 populations (Pisces, Cobitidae) from Bulgaria. *Acta zoologica bulgarica*, 54: 35-45.

3. Kottelat, M., Freyhof, J. 2009. Notes on the taxonomy and nomenclature of some European freshwater fishes, *Ichthyological Exploration of Freshwaters*, 20 (1): 75-90, [link](#), (SJR).

Dobrovolev, I., Ivanova, P., Apostolu, A., Manolov, Zh. 2003. Systematic of the Atherinidae species in the Black Sea and Mediterranean basins based on biochemical-genetic data. In: *Proceedings of the 6th International Conference on the Mediterranean Coastal Environment, MEDCOAST*, 721-728.
